Principal's Message

November, a time of Remembrance and a time of reflection. I use this month to relax and enjoy the quiet before the hustle and bustle of the holidays.

We look forward to parent teacher interviews this month. These conferences give us the chance to share your child's progress and provide you with a chance to tell us what you see happening through your and your child's eyes. Interviews take place on November 2nd from 3:30-6:30 in the school gym. We have a second date of November 8th which will allow us to connect with parents who were not able to attend the first interview date.

Thank you to everyone who supported our soup fundraiser. We were able to raise over 2000.00 to use toward student events and activities. Our second school based fundraiser will take place in the spring.

Remembrance Day service takes place on November 6th at 10:30 am and the public is welcome to join us.

We will begin preparation for the Christmas concert in November as well. Enjoy the fall break from November 9-12. Have a wonderful month!!

Thank You's

♥ We would like to thank the Elnora Drop In Center for inviting us to their Pancake Breakfast on October 17th. Our Students and Staff were very appreciative for the invitation. The food was absolutely delicious and was an amazing start to our day!! We understand how much planning went into this and all of the people involved coming together to make this day happen. Thank you to all the people involved in making that day such a success. We appreciate you all!!!

~~~~~

♥ We would also like to take this opportunity to say a HUGE Thank you to the Three Hills Victim Services for their Donation towards our Breakfast Program. These types of donations are truly appreciated and we couldn't do this without this type of support! From the bottom of our hearts here at Elnora School from all Staff and Students, Thank you!!!

Dear Parent/Guardian

Public Health Nurses will be at your child's school on **November 6, 2023** to provide immunization to grade six students.

For your child to be immunized in school, parent/guardian must provide written or verbal consent to AHS staff. Your child will only be immunized for the vaccines you have consented to.

If you have any questions or concerns about the upcoming immunizations, or your child has had a change in their health status please call your Public Health Nurses, Tanya O. and Jocelyn M., at the Elnora Community Health Centre (403)773-3636.

*If your child is not present on the run dates, they may receive immunizations on other dates throughout the school year.

****If you are new to Alberta OR if your child has been immunized at your doctor's office or pharmacy, AHS Public Health may not have a record of your child's immunizations. To ensure your child is up to date with all recommended immunizations refer to the schedule at [Immunization \(alberta.ca\)](https://www.alberta.ca/immunization)*
